

CLAWS

Exploring Teams

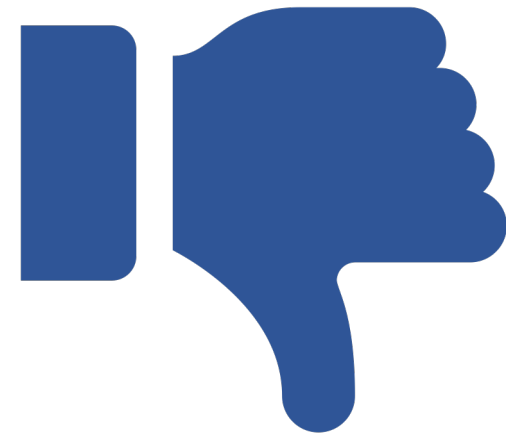

How comfortable are you with using teams?

Totally get how to use it

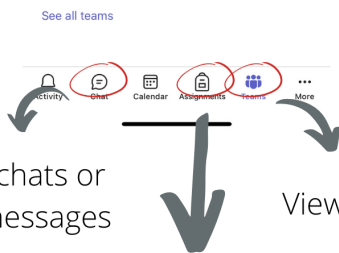

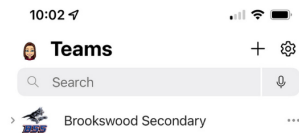

know enough to get by

haven't used it much or find it difficult to use

Home Screen

Create chats or check messages

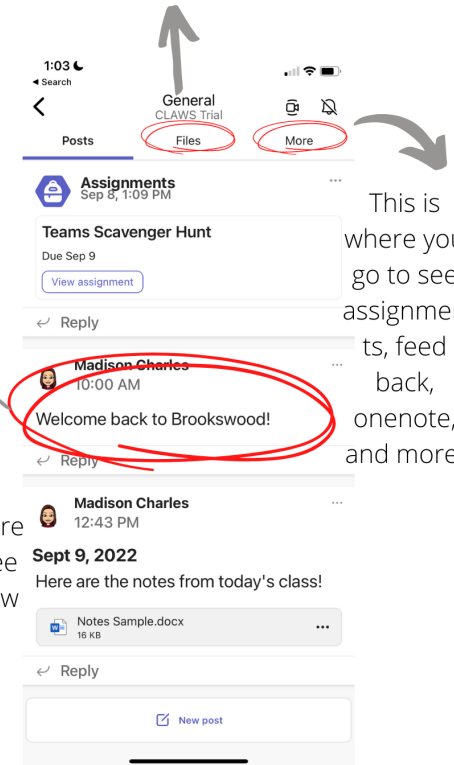

View all teams

View assignments & due dates

Your specific class homepage

This is where all the files get posted if you need to find something

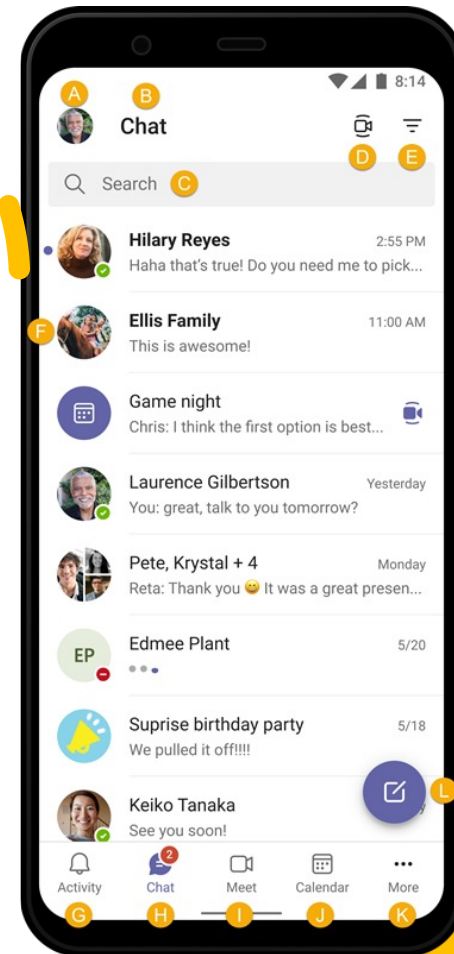

This is where you go to see assignments, feedback, onenote, and more!

This is where you can see all your new posts

The chat function

- You can message anyone in the Brookswood community using the chat function
- This includes
 - Teachers & Support Staff
 - Counselors
 - Other students
 - Group chats for clubs, projects, etc.

Assignments Function

Depends on what teachers post but you could find:

Assignment instructions

Activities that can be edited directly in Teams

Rubrics of how you will be assessed

Due dates

Feedback from teachers

To learn more, watch the video on the next slide!
